RE: Coastal Zone Management Consistency Determination for South Lake
Washington Shoreline Restoration project in King County, Washington.

Dear Ms. Shoemaker & Ms. Pihlstrom:

On December 20, 2011, the Washington Department of Natural Resource (WA DNR) submitted a Federal Consistency Determination stating that the above project is consistent with the Washington State Coastal Zone Management Program (CZMP). On May 21, 2012, an extension for CZM review was submitted to the Corps of Engineers. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, the Department of Ecology (Ecology) concurs with WA DNR's determination that the proposed work at the South Lake Washington Shoreline Restoration project is consistent with Washington's CZMP.
